DOCCIA

La sezione DOCCIA raccoglie al suo interno le famiglie LOSANGA, TRACCIA e BASIC, ognuna con proprie caratteristiche tipologiche e morfologiche. LOSANGA, nei suoi sette formati, si distingue per lo spessore ridotto a soli 6 cm, che consente anche un'installazione a filo pavimento, e per l'originale texture antiscivolo. TRACCIA è contraddistinta da un bordo pronunciato che gli conferisce carattere e originalità. BASIC è infine il sistema più articolato, che offre ben 13 formati divisi in "rettangolo", "quadro" ed "angolo", utili a risolvere le diverse esigenze di spazio.

DOCCIA gathers up the families LOSANGA, TRACCIA and BASIC, each with its own typological and morphological features.
LOSANGA, in its seven forms, is distinguished by the reduced thickness of only 6 cm, that also allows a floor level installation, and by its original anti-slip texture. TRACCIA is characterized by a pronounced border that bestows character and peculiarity to the product. BASIC is at last the most articulated system that offers well 13 forms divided in "rectangular", "square" and "corner", useful to resolve the different needs of space.

DOCCIA schließt die Produktfamilien LOSANGA, TRACCIA und BASIC mit ihren jeweiligen Besonderheiten bezüglich Art und Beschaffenheit ein. LOSANGA, in sechs Maßen erhältlich, zeichnet sich durch eine Stärke von nur 6 cm aus, durch die auch ein bodenbündiger Einbau möglich wird, sowie durch seine außergewöhnliche Anti-Rutsch-Oberfläche. TRACCIA ist durch den markanten Rand der Duschwanne gekennzeichnet, der ihr Charakter und Einzigartigkeit verleiht. BASIC schließlich, ist das vielfältigste System. Es bietet ganze 13 verschiedene Maße, die den Kategorien „rechteckig", „quadratisch" und „Viertelkreis" zugeordnet und den verschiedensten Raumanforderungen gerecht werden können.
